Anglican Schools Corporation - Standard Collection Notice 2014, updated February 2016

1. The Anglican Schools Corporation (both independently and through its Schools) collects personal information, including sensitive information about pupils and parents or guardians before and during the course of a pupil's enrolment at the School. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the School to provide schooling for your son/daughter and to enable them to take part in all the activities of the School.
2. Some of the information we collect is to satisfy the School's legal obligations, particularly to enable the School to discharge its duty of care.
3. Certain laws governing or relating to the operation of schools require that certain information is collected. These include Public Health and Child Protection laws.
4. Health information about pupils is sensitive information within the terms of the National Privacy Principles under the Privacy Act. We ask you to provide medical reports about pupils from time to time.
5. If we do not obtain the information referred to above we may not be able to enrol or continue the enrolment of your son/daughter.
6. The School from time to time discloses personal and sensitive information to others for administrative and educational purposes. This includes to other schools, government departments and agencies, medical practitioners, and people providing services to the School, including specialist visiting teachers, coaches, volunteers and counsellors.
7. In addition to the agencies and purposes cited at 6 above personal information relating to students and parents may also be made available, in accordance with Australian Government requirements, to ACARA for the purpose of publishing certain school information relating to the circumstances of parents and students on the MySchool website.
8. The School from time to time may also collect and disclose personal information about current or prospective students in accordance with the Education Act or child protection legislation.
9. Personal information collected from pupils is regularly disclosed to their parents or guardians. On occasions, information such as academic and sporting achievements, pupil activities and other news is published in School newsletters, magazines and on our website.
10. The Corporation's Privacy Policy sets out how parents or pupils may seek access to personal information collected about them. Pupils may also seek access to personal information about them. However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School's duty of care to the pupil, or where pupils have provided information in confidence.
11. The Corporation's Privacy Policy also sets out how you may complain about a breach of privacy and how the School will deal with such a complaint.
12. As you may know the School from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the School's fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes without your consent.
13. On occasions information such as academic and sporting achievements, pupil activities and similar news is published in School newsletters and magazines and on our website.
14. We may include pupils' and pupils' parents' contact details in a class list and School directory.
15. If you provide the School with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the School and why, that they can access that information if they wish and that the School does not usually disclose the information to third parties.
16. The School may utilise service providers to provide certain services including data storage to the school and its staff and students. The School may provide your personal information to such service providers in connection with the provision of these services. Conditions of Enrolment

Anglican Schools Corporation *Conditions of Enrolment (1 Jan 2012), updated February 2016*

These Conditions form part of the enrolment contract between the Parents and the Anglican Schools Corporation from 1 Jan 2012.

Interpretation

“Corporation” means Anglican Schools Corporation, ABN 63 544 529 806.

“Parents” means the Student's mother and father; or, where the Student has only one parent, that parent. "Parents" also includes the Student's guardian.

“Student” means the person who is enrolled as a student at the School.

“Principal” means the Principal or acting Principal of the School, by whatever title he/she is known, and/or his/her nominee.

“School” means the school of the Corporation at which the Student is enrolled.

Fees and Charges

1. The Parents are to pay to the School all fees and charges for school fees, extra subjects, excursions, camps and the supply of other goods and services to the Student, as determined by the Corporation or incurred on behalf of the Student from time to time (Fees and Charges).
2. The Parents are to pay all Fees and Charges in advance, at the end of the first week of each term, except Fees and Charges on amended accounts and accounts raised for mid-term enrolments, which the Parents are to pay within seven days from the date of the invoice. If the Parents fail to pay an account for Fees and Charges within 21 days of the due date they will be liable to pay an overdue charge which reflects the administrative and financial cost to the Corporation in collecting the outstanding Fees and Charges. The Parents may enquire as to the current amount of the overdue charge at the Group Office of the Corporation.
3. If an account for Fees and Charges is not paid in full within 60 days from its due date, the Student's enrolment may be suspended and the Principal may without further notice refuse entry to the Student and/or terminate the Student's enrolment.
4. The Parents are to give at least one full term's notice in writing to the Principal before terminating the Student's enrolment. If the Parents do not give sufficient notice of termination of the Student's enrolment, they are to pay to the School one term's school fees, plus GST as applicable. The Parents agree that this amount is a genuine estimate by the School of the loss that it would suffer as a consequence of insufficient notice of termination of the Student's enrolment.
5. No remission of Fees and Charges, either in whole or in part, will be made if the Student is absent due to illness, leave, suspension, or expulsion.
6. The School may incur from time to time such incidental expenditure on behalf of the Student as it may consider necessary, including for items such as books, excursions, educational programs, stationery and equipment.
7. The Parents are to pay all medical and ambulance expenses incurred by the School on behalf of the Student which the School is not able to otherwise recover.

Students' Obligations

8. Students are to demonstrate high standards of behaviour and:
 - a. abide by the School rules as they apply from time to time;

 - iv. camps and excursions that are an integral part of the School curriculum;
 - e. wear the School uniform as prescribed and follow conventional standards of appearance in accordance with the School's guidelines and the expectation of the School community; and
 - f. attend the School during school hours, except in the case of sickness or where leave not to attend has been given.

Parents' Obligations

9. The Parents:

 - c. are to support the goals, values and Christian foundation and activities of the School;
 - d. are to read the School newsletter;
 - e. are to advise the School in writing of any change of home, mailing, email address or contact details or other information on the Application for Enrolment/Placement on a Waiting List, within one month of such change. Applications for a Student place may be cancelled if the School loses contact with the Parent or has mail returned to it;
 - f. are to ensure the Student has each item of official required uniform, clean and in good repair, and all other requirements such as textbooks and stationery;
 - g. are to communicate with students, parents, visitors and staff members in a courteous manner, and follow the communication guidelines laid down by the School from time to time; and
 - h. are to use their reasonable endeavours to attend parent-teacher interviews and parent forums and participate in courses offered by the School which are relevant to the Student's education.

Exclusion of Students

10. The Principal may in his/her absolute discretion, but subject to affording the student procedural fairness, suspend or expel the Student for:
 - a. breaches of rules or discipline;
 - b. behaviour prejudicial to the welfare of the School, its staff or students; or
 - c. where parents have failed to comply with these Conditions of Enrolment.
11. The Principal also may terminate the Student's enrolment if the Principal considers that a mutually beneficial relationship of trust and cooperation between the Parents and the School has broken down to the extent that it adversely impacts on that relationship.

Leave

12. Requests for leave from School activities, including academic and co-curricular programs, and for early departure at the end of a day or term and/or late return from breaks are, in general, considered only in exceptional cases, and only on receipt of written application from the Parents by the Principal. Parents are to explain in writing to the Principal any Student absence for a part or whole day during term time, including late arrival at the beginning of the day.

Content of Courses attended

13. The School determines which particular courses and activities are offered and/or provided at any time and which of these courses and activities are compulsory. These may be changed without notice.

Special Needs, Health and Safety

14. The Parents are to disclose fully any special needs or changes in special needs of the Student (including but not limited to any medical, physical, learning or psychological needs) as soon as they become aware of those special needs or changes in special needs. The Parents are to complete the Student's medical form accurately and provide annual updates.
15. The Principal may search the Student's bag, locker or other possessions where reasonable grounds exist to do so in order to maintain an environment that is safe for all students.
16. If the Student is ill or injured, necessitating urgent hospital and/or medical treatment (for example injections, blood transfusions, surgery) and if the Parents are not readily available to authorise such treatment, the Parents authorise the Principal or, in the Principal's absence, a responsible member of the School staff to give the necessary authority for such treatment.
17. The Student's personal property is not insured by the School, and the School does not accept any responsibility for loss of or damage to the Student's personal property.
18. Parents are to observe School security procedures for the protection of students.
19. In accepting these conditions the Parents:
 - a. acknowledge that the School may from time to time collect personal information about parents and students for the School's function or activities;
 - b. authorise the School to use and disclose information in such a manner as the Principal may deem appropriate for the purposes of the Student's education, health, care, welfare and development; and
 - c. acknowledge that they have read the School's Privacy Policy and Standard Collection Notice, as displayed on the School's website, or as otherwise published.
20. The Parents give permission for photographs and videos of the Student to be placed in the School's records; displayed from time to time around the School; and published in School publications, on its website and in other marketing and promotional material, unless the Principal has been advised or is advised in writing that the Parents do not give this permission.

Court Orders and Provision of Reports

21. The Parents are to, where relevant, provide to the School all current Family Court or other court orders relating to the Student. Such information will be dealt with in accordance with the School's Privacy Policy.
22. The School will send academic reports to the address or addresses notified by the Parents. If the Parents are separated or divorced, reports will be sent to each of the Parents on request to the address notified by each Parent unless there is an order of a court or an agreement that reports are to be sent to only one of the Parents.

General

23. The Corporation may change these Conditions of Enrolment with effect from the beginning of a calendar year, provided the Corporation gives the Parents at least two terms' notice.
24. The Parents' obligations to the School and the Corporation, as set out in these Conditions of Enrolment, are joint and several.
